# THE ORIGIN OF "6 MILLION JEWS" KILLED

*During both World War I and the Russian Civil War, claims of "6 million Jews" being in jeopardy of dying appeared in print, several times. Towards the end of World War II, the first claim of 6 million Jews having actually died was published in January of 1945 by a Jewish propagandist named **Jacob Lestchinsky** (above right), correspondent of the New York Jewish Daily Forward (a Marxist publication).*

*As far back as 1933, Lestchinsky had been accused by both Latvia and Germany of spreading false atrocity propaganda. ([here](#)) With neither investigation nor confirmation, Lestchinsky's claim of 6 million dead Jews was publicized in the Jewish owned **New York Times** on January 8, 1945; the most "prestigious" newspaper in the world.*

*Aside from Lestchinsky being a known Communist liar, there is another problem with the story. You see, **none of the major concentration camps had even been liberated yet!** So where did Comrade Lestchinsky get this '6 million' number of dead from?*

*Following are the 1945 liberation dates for some of the most well known "Nazi death camps" :*

- January 27 / Auschwitz
- April 4 / Buchenwald
- April 11 / Bergen Belsen
- April 29 / Dachau
- May 5 / Mauthausen

### **Jacob Lestchinsky Estimates Reduction in Europe Since '39**

The Jewish population in Europe has been reduced from 9,500,000 in 1939 to 3,500,000, it was estimated yesterday by Jacob Lestchinsky, exiled economist and newspaper man, in an address at the nineteenth annual conference of the Yiddish Scientific Institute. Mr. Lestchinsky, who is research secretary of the institute, spoke at the closing sessions of a three-day conference at the Hotel Park Central and attended by delegates from Jewish educational and cultural groups.

"Of the 6,000,000 European Jews who have died, 5,000,000 had lived in the countries under Hitler's occupation," he said.

Other speakers included Dr. Harry M. Orlinsky, Professor of Bible at the Jewish Institute of Religion; Prof. Abraham Heschel of Hebrew Union College, Cincinnati, and Joseph Opatoshu, vice president of the institute's executive board.

Reims, France, May 7—Germany surrendered unconditionally to the Western Allies and the Soviet Union at 2:41 A. M. French time today. [This was at 8:41 P. M. Eastern War-time Standard.]

The surrender took place at a little red schoolhouse that is the headquarters of Gen. Dwight D. Eisenhower.

The surrender, which brought the war in Europe to a formal end after five years, eight months and six days of bloodshed and destruction, was signed for Germany by Col. Gen. Günther Jodl, General Jodl the new Chief of Staff of the German Army.

The surrender was signed by the Supreme Allied Command by Lt. Gen. Walter Bedell Smith, Chief of Staff for General Eisenhower.

It was also signed by Gen. Ivan Smolodtsov for the Soviet Union and by Gen. François de Lattre for France.

[The official Allied announcement will be made at 9 o'clock Tuesday morning when President Truman will broadcast a statement and Prime Minister Churchill will issue a V-E Day proclamation. Gen. Charles de Gaulle also will address the French in the same time.]

General Eisenhower was not present at the signing, but immediately afterward General Jodl and his fellow delegates, Gen. Admiral Hans Georg Friedeburg, were notified by the Supreme Commander.

Germany's last Undersecretary of Defense

They were asked shortly if they intended the surrender terms imposed upon Germany and if they would be carried out by Germany.

They answered Yes.

Germany, which began the war with a routine attack upon Poland, followed by successive aggression and brutality in Denmark, Norway, and Poland, was now a victor in the war.

After having signed the full surrender, General Jodl said he wanted to speak and received leave to do so.

"With this signature," he said in multi-lingual German, "the German people and armed forces are for better or worse delivered into the victor's hands."

"In this war, which has lasted more than five years, both have achieved and suffered more than perhaps any other people in the world."

# OSWIECIM KILLINGS PLACED AT 4,000,000

\*\*\*\*\*

**Soviet Commission** Reports Death Camp in Poland Was Founded by Himmler

\*\*\*\*\*

By C. L. Sulzberger  
By Wireless to The New York Times

(EXCERPT)

Moscow, May 7 - More than 4,000,000 persons were systematically slaughtered in a single German concentration camp - that at Oswiecim in Poland, near Cracow from 1939 - 1944. The Germans thus accomplished with scientific efficiency the greatest incidence of mass murder in recorded history.

This slaughter exceeds in barbaric intention and method not only the greatest brutalities of such infamous conquerors as Genghis Khan but also surpasses even Germany's own record in previous prize exhibitions at Maldenak, Dachau and Buchenwald.

Such is the miserable tale made public today - on the eve of the official end of the European War - **by the Soviet Union's Extraordinary State** Commission investigating the extermination center at Oswiecim.....these are the first statistical data of the camp's record.

**According to the Soviet Commission**, "more than 4,000,000 citizens of the Soviet Union, France, Belgium, the Netherlands, Czechoslovakia, Yugoslavia and other countries.....were exterminated at Oswiecim. The methods used were "shooting, famine, poisoning and monstrous tortures."

**The report states** that **gas chambers**, crematoria, surgical wards, laboratories and clinics were erected around Oswiecim to accomplish this mass production monstrosity.

.....Public baths were installed for group cyanide poisoning

.....**The report states** that in 1943 the frugal Germans decided to sell the unburned bones to the firm of Schterheim....in addition to the 113 tons of crushed bones, loads of women's hair were sold for industrial purposes.

.....Human guinea pigs were kept alive for experimentation.

NY Times, May 8, 1945, (above) p.12, Column 5, carries  
SOVIET claim of "gas chambers" at Auschwitz.
